

## CREATE YOUR SPACE

DREAM DECK IDEA STARTERS

Trex® offers the widest selection of design styles, color, shapes, and finishes to choose from, to help you create the perfect complement to any outdoor space. Six rich colors and three distinct finishes ensure your deck will stand out in any

environment. And all Trex materials provide a design flexibility that you cannot achieve with other products. Design with curves, bends, and extraordinary patterns. There are endless ways that Trex empowers you to create your own space.

*Designs by:*  
**Pro-Built Construction, Inc.,**  
**Highland, MD**

Use the blueprint above to determine whether this deck design will fit your outdoor space. Keep in mind that any Trex deck can be customized to bring your dream to life. Each of the plans in this kit include common shapes and features that can be used as a starting point for your own creative expression. To design your deck online, visit [www.trex.com/designcenter](http://www.trex.com/designcenter).
