CREATE YOUR SPACE™ DREAM DECK IDEA STARTERS

Wouldn't it be great if every day could feel like the weekend? If, by some magic, we could make the sun shine just a little longer?

Perhaps this deck can't make the sun shine every day, but it certainly holds the promise of a good time even with

a few clouds in the sky. But don't let its playful good looks fool you...this deck also has a quiet side. It's just as comfortable hosting a laid-back family barbeque, a relaxing evening with good friends, or, perhaps, a midnight rendezvous.

Use the blueprint above to determine whether this deck design will fit your outdoor space. Keep in mind that any Trex deck can be customized to bring your dream to life. Each of the six plans in this kit include common shapes and features that can be used as a jumping-off point for your own creative expression. Combine colors, form, and function that match your home and personal style. Use the enclosed grid and pop-out sheet of deck furniture and other accessories to see how it all fits together.
